

## REGIONAL JOB TRAINING PROGRAM OVERVIEW

### Purpose

The program will help increase the knowledge, education and skills of Ohio's Appalachian communities by supporting regional job training efforts to equip Ohio's workforce with additional skills to grow the economy and prepare Ohioans for in-demand jobs. It is the hope of the Governor's Office of Appalachia that projects proposed under the Program will complement Governor Kasich's workforce objectives: 1) Connect Business and Education, 2) Create a Culture of Continuous Learning and 3) Build Career Pathways.

### Eligible Applicants

Eligible applicants include educational institutions (*i.e.*, local school districts, career technical schools, community colleges, four-year institutions, education service agencies), cities, counties, villages, non-profits, private for-profit businesses, and libraries. ### Partners

Applicants are strongly encouraged to establish partnerships and collaborate with regional schools and educational institutions, local businesses and other workforce providers in their respective counties and region.
