# Inaugural Meeting Recap – SWOT Analysis

<b>Human Services Transportation Coordination: SWOT Analysis – April 6, 2018</b>	
<b>STRENGTHS</b>	
1	Specific needs well addressed at the county level
2	Personal connection with clients
3	Client knowledge rapport relationships "Local" Continuity Compassion
+	Making do with very little... "Success"
<b>WEAKNESSES</b>	
1	Funders and Restrictions (Too many rules, unfunded mandates) "Loaded vs. unloaded miles/Reimb."
2	Same Day Trips - Schedule and Money
3	Cancellation to rural areas/lost money
+	Lack of cell phone & internet access in rural areas
<b>OPPORTUNITIES</b>	
1	Streamlining Rules/Regulations (Simplified) but "Rural vs. Urban" – One Size Does Not Fit All
2	Increased Coordination (Providers & Clients) "Elimination of County Restrictions/Limitations
3	Local Agency Rules Coordinate money/finances
+	New technology & shared CTS system.
<b>THREATS</b>	
1	Dismantle local capacity that was built
2	Loss of personal connection/relationship with clients
3	Funding (sources: 2nd/3rd Party Agreements)
+	DD privatization - difficulty in attracting new providers
